Education and childcare benefit certification (Kyōiku Hoiku Kyūfu Nintei)

Those who wish their children to go to Yōchien, Hoikuen, Nintei Kodomoen, etc. must receive an 「Kyōiku · Hoiku kyūfu Nintei」.

1 Person Entitled

All children who are registered as residents in Iwata City and wish to use the facilities covered by the benefits, such as Yōchien, Hoikuen, Nintei Kodomoen, etc. are eligible.

2 Flow of Certification Procedure (new application)

■ Procedure (1): Please fill in the required items on the 「Kodomo no tame no hoiku · hoiku kyūfu nintei shinseisho ken hoikuen tō nyūen mōshikomi sho」 and submit these applications to the Yōchien Hoikuen ka.

■ Procedure (2): Based on the application in procedure (1), the city will determine if there is a need for childcare and issue a certificate.

3 Certification Categories (Shikyū Nintei)

Certification category	Target Children	Main places
1-gō nintei	Children over 3 years old who wish to have a kindergarten education Example) If your child is 3 years old or older and one of the parents is a full-time housewife (husband), and your child can receive childcare at home.	· Yōchien · Nintei Kodomoen (Yōchien vacancy)
2-gō nintei	Children over 3 years old who need childcare due to parents'/guardians' employment or illness. Example) If the child is over 3 years old and the parents'/guardians are working together (or working as a single parent/guardian) or if the parent/guardian is sick and it is difficult to raise the child at home.	· Hoikuen · Nintei Kodomoen (Hoikuen vacancy)
3-gō nintei	Children under the age of 3 who need childcare due to parents'/guardians' employment or illness Example) If the child is under 3 years old and the parents'/guardians are working together (or working as a single parent/guardian) or if the parent/guardian is sick and it is difficult to raise the child at home.	· Hoikuen · Nintei Kodomoen (Hoikuen vacancy) · Chikigata Hoiku tō

Use of facilities, etc. benefit certification (Shisetsu-tō Riyō Kyūfu Nintei)

This is a necessary procedure for making free of charge the tuition fees for childcare at Yōchien, Azukari Hoiku of Nintei Kodomoen, Ninkagai Hoikuen, etc. Depending on the combination of facilities used, it may be necessary to obtain both education/childcare benefit certification and facility use benefit certification.

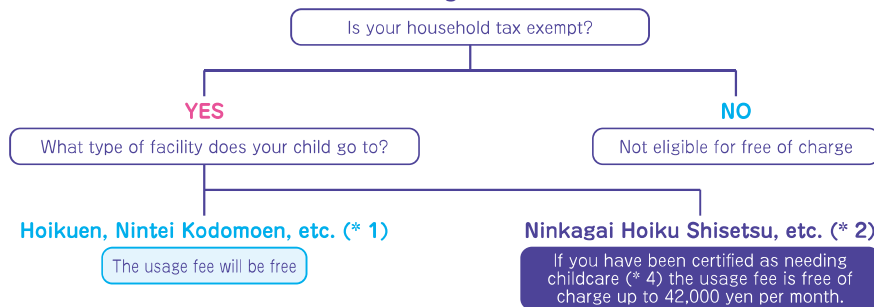

(Example) If you are using a Yōchien, etc. and Azukari Hoiku service, you will be certified as [1-gō nintei] for education and childcare benefits. The [shin 2-gō nintei] is for the facility use benefit certification. The [shin 3-gō nintei] is for children aged 3 years old.

Certification category	Child Class aged	Person entitled	Main places
Shin 1-gō nintei	3 to 5	Children who want Yōchien education	Kindergartens that do not receive institution-type benefits.
Shin 2-gō nintei	3 to 5	Children who need childcare because of their parents'/guardians' employment or illness	· Azukari Hoiku Service · Ninkagai Hoiku Shisetsu
Shin 3-gō nintei	0 to 2	Children in households exempt from municipal tax who need childcare due to their parents'/guardians' employment or illness	· Ichiji Azukari Service · Byouji/Byougoji Hoiku

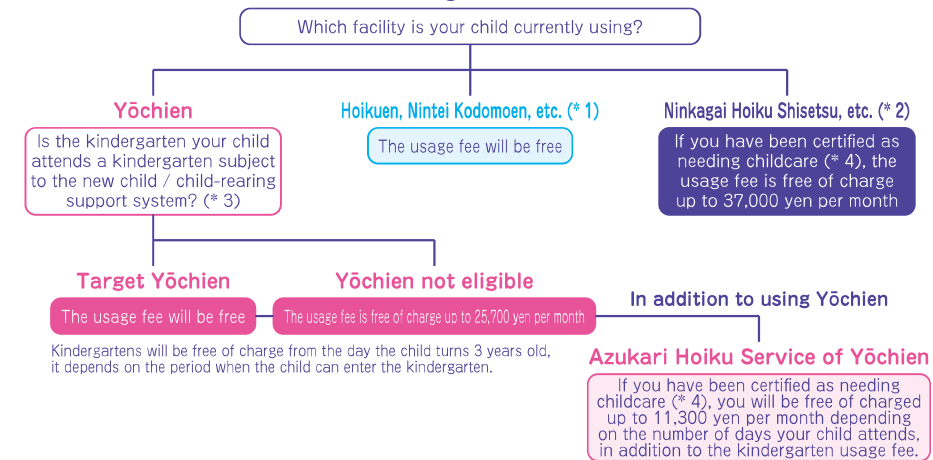

Early childhood education and childcare free of charge

What kind of support can you specifically receive in your home?

0 to 2 years old

3 to 5 years old

- From the perspective of reducing the burden on households with two or more children, we will continue the current system and count the oldest child who uses nursery schools, etc. as the first child, then for the second child aged 0 to 2 years old the fee will be half, and it will be free for the third and subsequent children. Furthermore, for households with an annual income of less than 3.6 million yen, the age of the first child does not matter.
- Parents/guardians will still be responsible for other fees such as transportation, food, and events. However, the cost of supplementary food (side dishes, snacks, etc.) is exempted for children in households with an annual income of less than 3.6 million yen and all households with three children or more.
- The usage fee is free of charge for preschool children with disabilities who use developmental support and are 3 to 5 years old.

- * 1 Community-based childcare (small-scale childcare, home-based childcare, home-visit childcare, on-site childcare) and company-led childcare (standard usage fee) are also eligible.
- * 2 In addition to unlicensed childcare facilities, temporary child daycare business, post-illness childcare business, and family support center business are eligible. Non-licensed childcare facilities refer to general non-licensed childcare facilities, local government-specific certified childcare facilities, babysitters, and non-licensed on-site childcare facilities.
- * 3 If you're not sure what kind of kindergarten you are applicable to attend, please check with the kindergarten you want your child to attend or check with the Iwata City Kindergarten Nursery Division.
- * 4 In order to be eligible for free of charge, it is necessary to receive "certification of the need for childcare" from the municipality where you live. Regarding the requirements for "certification of the need for childcare", there are requirements such as employment (requirements equivalent to the use of a licensed nursery school), so please check with your municipality.
